**Affiliated to Kirklees and District and Yorkshire ASA**

### Volunteer Commitment Form 2017

As part of your swimmers membership to Borough of Kirklees synchro, we require one adult from each family to volunteer to assist in the running of our club and to assist at competitions where the organisers require parent volunteers. All volunteers working within BOK Synchronised Swimming Club are encouraged to work to high standards and adopt recognised best practice where possible. In addition to their own standards of practice, volunteers should be aware of and abide by the BOK Club Constitution and the ASA Wavepower document which covers:

Child protection policy and guidelines, Equality and diversity policy, Safety guidelines, Complaints policy and guidelines

The management committee will ensure that its team of volunteers have a copy of each policy and guidance notes that are relevant to their work. The management committee will listen and respond to matters that volunteers bring to its attention in relation to their work and will support them where possible.
